The Midwest Hemerocallis Society

INVITES YOU

TO BECOME A MEMBER

Already we have an enthusiastic membership drawn from nearly every state in the Union. If you are interested in Hemerocallis, the flower of the future, this new organization needs you and you need it. We want personal experience reports from hundreds of gardens. These, and the best advice from leading hybridizers, will be carefully collected, and annually sent back to you in an attractive and useful yearbook which will also contain the names and addresses of our members to date. There will be bulletins and printed matter from time to time, and there is a loan library of Hemerocallis literature.

Annual dues are three dollars (\$3.00) and should be mailed to the Secretary-treasurer, Pearl Sherwood, Atlantic, Iowa.
